

**TOWN OF SOUTH HADLEY, MASSACHUSETTS  
PUBLIC NOTICE**

The Board of Assessors is in the final stages for completion of the fiscal 2010 revaluation of all real and personal property. The basis for any revaluation is always the market. For the purpose of the fiscal 2010 revaluation, market data from calendar year 2008 sales were used. The valuations have received preliminary certification from the Massachusetts Department of Revenue and the Assessor's office is now able to conduct the public disclosure process.

The Board of Assessors will have counter books available to the public that contain the proposed values for the fiscal 2010 updated property assessments. The books will be available for review at the Assessor's office, 116 Main Street, Room 104 and also at the Main Library, 27 Bardwell Street, from Friday, November 6 to Friday, November 13, 2009. The public is welcome to come in and review their valuations during this time period.
