The following provisions shall apply to Automatic Amusement Devices as defined in Massachusetts General Laws, Chapter 140, Section 177A.

In accordance with Section 177A, as amended from time to time, any individual or business desiring to keep and operate amusement devices for hire, gain or reward shall secure an annual license from the Selectboard, which shall design a license application to be completed by the applicant. The fee for such license is \$50.00 per machine.

A violation of Section 177A shall be grounds for suspension or revocation of any license issued by the Town of South Hadley and held by the violator, including a license to sell alcoholic beverages.

The South Hadley Selectboard shall not grant a license for any Automatic Amusement Device, which presents a risk of misuse as a gambling device. Automatic Amusement Devices which present a risk of misuse as gambling devices are those devices which simulate gambling devices and games which involve matching of random numbers, pattern or color combinations; such as "video poker machines" and "slot machines."

All licenses for Automatic Amusement Devices granted by the Town of South Hadley Selectboard shall be subject to inspection by the Town of South Hadley Police Department to ensure conformance with the submitted application information. Any unlicensed automatic amusement device shall be subject to immediate seizure by the South Hadley Police Department.

I accept and agree to the above conditions
