NOTICE TO PUBLIC AND TO ABUTTERS

SUBJECT: Public Hearing on North Pole Estates Definitive Plan scheduled for February 22, 2021
Request for Continuation until March 8, 2021

On February 16, 2021, the Planning & Conservation Department received an email from the attorney representing Chicopee Concrete Services, Inc. requesting that the public hearing on this application scheduled for February 22, 2021 be continued to March 8, 2021. In a subsequent email, the attorney also extended the deadline for the Planning Board to file a Decision on the application to March 26, 2021.

Pursuant to the Planning Board Policy regarding requests for continuations of public hearings, at the February 22, 2021 Planning Board meeting, the Board is anticipated to vote to continue the public hearing to a time (recommended to be 6:45 p.m.) on March 8, 2021 without any required representation from the applicant. The reason for the request for the continuation is to allow their consultant to complete and submit an additional Hydrogeological Report which is expect to be provided on or around March 1, 2021.

If you have any questions regarding this matter, please feel free to contact me.

Sincerely,

Richard L. Harris
