The caucus is open to all Democrats registered to vote in South Hadley for the purpose of electing candidates for the Selectboard's consideration in filling vacancies on the Board of Registrars.

Board of Registrars vacancies are filled so that members represent as nearly as possible the two leading political parties. Per state law, the South Hadley Democratic Town Committee is charged with identifying three candidates registered as Democrats in South Hadley for the Selectboard to consider in appointing new registrars. Town meeting members are eligible for appointment as a registrar; other elected officials are not eligible for appointment.

The Board of Registrars works with the Town Clerk to provide advice, support and oversight, especially around ensuring fair elections. Additional information about the Board of Registrars can be found on the Town Clerk's website at <https://www.southhadley.org/689/Board-of-Registrars>. Agendas and minutes for past Board of Registrars meetings can be found on the Town website at <https://www.southhadley.org/agendacenter>.
