

# The Weekly Wrap-up

A Report from Town Administrator Lisa Wong

## Fall Public Works projects underway

Public Works employees Leo and Elvis work on fall projects around town including repainting parking spaces and handicap signs at town hall. The DPW recently signed a paving contract for Sunset Ave., River Rd, Alvord and Lathrop streets and the Wastewater Treatment Plant parking lot.

### PUBLIC HEALTH NEWS

Eversource is replacing steel structures and installing new optical grounding wire at the top at 7 locations in South Hadley as well as crossing over Route 202. Construction has started now until Spring 2023.

The work was recently halted due to noise and vibrations. Testing was done and the project will resume in the John Drive area and then move to Orion Farm on Newton Street.

The hotline for this project is 800-793-2202. Email: [ProjectInfo@eversource.com](mailto:ProjectInfo@eversource.com)

***“Is It Forgetfulness or Dementia?” With Carol Constant. Wednesday, October 26 at 6:30***  
Not everyone who grows old will have dementia but as we age we know to expect new aches and pains and other signs of aging. This session will help us distinguish between normal age-related memory challenges and dementia. Led by Carol Constant.
