

# Weekly Wrap-up

A Report from Town Administrator Lisa Wong

## Law enforcement award

Officer Cindy Boyle has received the Law Enforcement Exemplary Performance Award from the Massachusetts Department of Mental Health to recognize an exceptional officer who in their work as a first responder has helped those in a crisis, worked to prevent crisis, or aided others in follow-up related activities. Congrats!

### PUBLIC HEALTH:

The fires in Canada are affecting air quality across the East Coast.

Everyone may begin to experience some adverse health effects, and members of sensitive groups may experience more serious effects.

There are a number of websites and apps that can help track air quality including:
