# NEWS & ANNOUNCEMENTS

KEEP UP WITH SOUTH HADLEY'S LATEST NEWS

The town hosted a webinar for municipal officials to assist with implementing Diversity, Equity and Inclusion objectives identified in the Town's Master Plan:

- Be a welcoming community that attracts and supports a diverse population.
- Hire staff and recruit volunteers from a wide base in terms of diversity and educational backgrounds.
- Encourage people of diverse backgrounds to run for boards and/or apply for committees to ensure broad representation of all residents in government functions.
- Support a strong and welcoming multi-ethnic and multiracial community identity.

Bird Guess, the President and CEO of the Racial Equity Group, facilitated the training. The Town applied for and received a Community Compact Best Practices grant from the state for this project. The webinar and full powerpoint will be available on the town's website next week.
