## PARK PROGRESSES

The BATTERY BROOK PARK Improvement projects is moving forward. Seven contractors bid on the project and the winning bid was within budget. The Selectboard will vote on the contract at their February 18 meeting. Construction will take place over 5 months and is made possible by a state grant, Town Meeting approved match and fundraising by the Friends of BBP.

## Town Census

Census forms have been mailed out. Contact the Town Clerk with questions or if you did NOT receive one:
