## PEARL STREET CULVERT REPLACEMENT CONTINUES

Throughout June, backfill was installed and concrete was poured into forms for a pedestal wall at the Pearl Street Culvert Replacement Project.

The new ADA pathway at SHHS is nearing completion. It provides an accessible route to the turf field.

## FIREWORKS MOVED TO JULY 5

Due to forecasted evening storms on Thursday, July 3, the South Hadley fireworks at the Michael E. Smith Middle School will be held on the July 5 rain date. Festivities begin at 5 p.m. with the fireworks at 9:30 p.m. The evening will include food trucks, vendors and fun rides and games for kids. There will be a DJ in the parking lot and the South Hadley Community Band will play at 8 p.m.

## MOSIER SCHOOL PROJECT NETS SIX DESIGN PROPOSALS

### South Hadley Elementary School Building Project Project Timeline

Current project timeline is subject to change

The Mosier Elementary School Building Committee received six designer proposals for the Mosier project. The next step is for three representatives from the town — the Town Administrator, the Superintendent, and a School Committee representative — to participate in the Designer Selection Panel on July 15 with the MSBA.

If a final decision isn't made July 15 or if interviews are the next step as decided by the panel, a second session is scheduled for July 29. The goal is to conduct contract negotiations and have a designer officially on board by mid-August.
