4 Glen St, South Hadley

My family and I have lived in South Hadley since 2012, and for most of those years my primary responsibility has been that of a stay-at-home parent. As such I've volunteered my time and abilities where I was able to contribute. I've taken active roles in all the schools and programs my children have been involved in, which is why I'm asking to be considered to fill the vacancy on our School Committee. I have a keen eye for budgeting and an ability to keep the big picture in focus while addressing the many details usually involved with complex issues. In short, I believe I can be an asset to the committee and look forward to being considered.

Relevant Volunteer Experience

- Served as a member of our Superintendent Search Committee, 2020.

One of my contributions to the committee was volunteering to compile and work with the results of our community survey, so I feel very familiar with the needs and wants of our key stakeholders for our school district.

- President of the Board of Center Nursery School, 2019-2021
- Town Meeting Member, 2019-Current
- Volunteer Soccer Coach for both of my children's soccer teams, 2019-Current
