After reviewing the plans for the proposed "North Pole Estates", residential subdivision, I have the following comments.

The applicant must meet with the Superintendent to discuss the following requirements:

1. South Hadley Water District No. 2 Rules and Regulations for Housing Developments.
2. Water Impact assessment application.
3. Material Standards for District No. 2 Water Department.
4. Copy of the Water Billing Structure.
5. Payment Fee for the development plans.
6. Connection Fee's shall be paid to the department before any connection is made to the distribution system.

Mark Aiken
Superintendent
South Hadley Fire District No.2
Water Department
