## COVID-19 Response Command Center

### Massachusetts Emergency Management Agency

#### State Actions Today

#### Situation Update

On March 10, 2020, Governor Charlie Baker declared a State of Emergency to support the Commonwealth's response to coronavirus. On March 14, the Baker-Polito Administration announced the creation of a new COVID-19 Response Command Center. Governor Baker has asked Health and Human Services Secretary Marylou Sudders to lead this cross-secretariat response to the outbreak of COVID-19 to complement the work that has been underway for weeks across state government to keep residents safe and healthy.

The Command Center, under the leadership of Secretary Sudders and reporting to Governor Baker and Lt. Governor Karyn Polito, will be the Commonwealth's single point of strategic decision making and coordination for the Administration's comprehensive COVID-19 response.

In support of the Command Center, the State Emergency Operations Center (SEOC) in Framingham has activated to Level 2 (Partial Activation). In addition, MEMA's Regional EOCs in Tewksbury, New Bedford, and Agawam have also been partially activated to support local communities. Representatives from the following agencies and organizations were present in the SEOC today: American Red Cross, Dept. of Environmental Protection, Dept. of Fire Services, FEMA, InfraGard, Massachusetts Emergency Management Agency, MA National Guard, MA Office on Disability, MA State Police, MassDOT/MBTA, and Salvation Army.

Important protective measures to be aware of:

- [Gatherings of over 25 people are prohibited](#) until April 6<sup>th</sup>.
- On-premises consumption of food and drink at bars and restaurants is prohibited until April 6<sup>th</sup>.
- Elementary and Secondary Schools are closed until April 6<sup>th</sup>.
- Colleges and universities, both public and private, are urged to reduce the need for students to be on campus.
- Employers are encouraged to support alternative work arrangements, including allowing employees to work from home.
- Some government offices are closed, you should check the website or call ahead, to confirm hours of operation.
- MBTA trains and buses are running a reduced service schedule.

#### Situation in Numbers

**Massachusetts** **current as of 3/17**  
218 Total Cases

COVID-19 RESPONSE COMMAND CENTER  
DAILY SITUATION REPORT

- National testing laboratories continue to ramp up their testing; as of yesterday morning, the State Lab received reports from Quest Diagnostics and LabCorp that they completed an additional 384 tests.

State Legislators Briefed:

- More than 100 State Legislators received a briefing from the Commonwealth's COVID-19 response lead Secretary, Marylou Sudders.

## ***Disaster/Emergency Recovery Actions:***

Small Business Recovery Loan Fund:

Governor Baker has announced a \$10 million Small Business Recovery Loan Fund, administered by Massachusetts Growth Capital Corporation (MGCC), to provide emergency capital up to \$75,000 to Massachusetts-based businesses impacted by COVID-19 with under 50 full- and part-time employees, including nonprofits. Click [here](#) for more information.

FEMA Public Assistance

- FEMA has declared a national emergency authorizing states to request Direct Federal Assistance (DFA) in the form of resources or expertise.
- FEMA will also reimburse eligible state, local, and private non-profit COVID-19 response costs up to \$5 million statewide that are not covered by HHS, CDC, etc.
- FEMA may request the \$5 Million cap be increased and are waiting on further guidance; however, the focus now is on providing Direct Federal Assistance.
- MEMA has begun creating a virtual applicant briefing and will issue updated guidance once FEMA has provided additional information.

## ***Stay Informed***

Key Public Health Messages for All Residents:

- Protect yourself by following public health advice about keeping your hands clean, and covering coughs and sneezes.
- Stay home if you are sick.
- Protect others who are most at risk of COVID-19 by keeping your distance from people (at least 6 feet away from others), especially those who are older, and people living with chronic health conditions.
- If you are outside, avoid crowds.
- Don't shake hands or hug.
- Stay connected to friends and loved ones by phone or through other technology.
- Get information from trusted sources. Visit <https://www.mass.gov/2019coronavirus> for the latest news, case counts, and lab testing results.
