

SOUTH HADLEY COMPREHENSIVE PLAN
IMPLEMENTATION MATRIX School Committee

School Committee - Recommended Action - 5/1/13	Chapter-Goal	Goal or Land Use Objective	Priority Action	Timeframe				
				Immediate	Near Term (1-3 years)	Mid Term (3-6 years)	Long Term (6-10 yrs)	Ongoing
Develop a curriculum for education and outreach in South Hadley's school system through a local history unit. Not being done	CHR-2	2-1-2			✓			
In the school facility planning process, ensure that South Hadley has an advocate or responsible party to ensure sufficient follow up, and that the application is closely tracked in the State process. Done	MSF-3	3-3-2						
Integrate the natural resources inventory and assessment into the community's schools (public and private) as a tool for teaching about the role of the natural environment. In process	NR-5	5-2-3						
Develop an educational program about habitat and presence of South Hadley's Rare Species (Threatened and Endangered Species and Species of Special Concern) which also informs as to how these animals relate to the Town's natural resources and conservation efforts. Not being done	NR-5	5-2-4			✓			
Prioritize the creation of new, and improvements to existing, sidewalks that encourage walking to schools. DPW responsibility	Tr-3	3-1-2
