

The Village Commons + Surrounding Businesses

We Need Your Input!

South Hadley is participating in the Massachusetts LRRP Program to help communities develop Local Rapid Recovery Plans for targeted downtowns and commercial districts.

An initial component of this program includes a survey of owners (or managers) of business establishments located in the Village Commons and the surrounding areas, including for-profits and non-profits, even if your business is temporarily closed.

Your input will help develop a plan to meet the needs of local businesses and inform future policy decisions.

The survey will ask a few questions about your satisfaction with your business location, impacts of COVID on your business and your opinion regarding potential strategies to support your business and improve the commercial district.
